

Plant-a-Pollinator-Garden Seed Packet Template

♡ Color • Cut • Fold • Plant • Grow! ♡

How to Make:

1. Color your seed packet.
2. Cut along the solid outer line.
3. Fold along the dashed lines.
4. Glue the side tabs.
5. Fold the top flap down and the bottom flap up to close.
6. Fill with seeds and share!

Plant native flowers
that help bees, butterflies,
moths, hummingbirds
and so many more!

Every seed
makes a
difference!
